0.2.1 Subsection

This is a subsection

Sub sub section

This is a subsubsection :)

This could be a longer paragraph where we go into detail about a specific issue. This could be any issue at all, which you want to write about.

A subparagraph could be used when you need to go into more detail about an issue you're writing about in the paragraph.

0.3 Table with multiple columns

Please view table 1 to get an idea of what you can do with tables.

Table 1: showing off my tables

cell one left aligned	cell two center aligned	cell three right aligned
cell four l aligned	cell five c aligned	cell six r aligned
this spans multiple columns		
Multirow	X X	

Here is a description, describing that this table above, shows you a few things you can do with tables

0.4 Code listing

Listing 1: C# exaple

```

1 public static void main(string[] args) {
2     Console.WriteLine("Hello World");
3     var myVar = 10;
4     var hisVar = 20;
5     var max = myVar >= hisVar ? myVar : hisVar;
6 }
